About this document

This document tells you how you are covered for Endoscopic Investigations.

Overview

Endoscopic investigations are covered at 100% of the Fund Rate from the Insured Benefit. These procedures must be done in a Day Surgery Facility, subject to authorization, clinical criteria and the services being obtained at a facility in the Fund's DSP. If the service of non-DSP is used voluntarily, a deductible of **R7 000** applies per admission.

When you are having a planned scope, it is important to call us at least 48 hours before the procedure. When you call us, we will confirm your benefits and tell you how we will pay your accounts.

Day Surgery Network

You should have your scope done in our Day Surgery Network. If your scope is performed outside of our Day Surgery Network, you will have to pay an upfront amount (deductible) of **R7 000**.

Endoscopic investigations must be obtained from a provider in the Fund's Network of Day Surgery providers. You can find the nearest provider to you on the website, www.engenmed.co.za, by using the MaPS tool.

A clinical exceptions process applies to all cases with complex presentations, and those procedures that may require an extended length of stay. You will be transferred to an appropriate facility, where required.

We cover scopes as a Prescribed Minimum Benefit (PMB) under certain conditions

We will pay the claim as a Prescribed Minimum Benefit (PMB) if the scope report confirms a Prescribed Minimum Benefit (PMB) diagnosis.
